Product Description

Reusable 25*20cm Tyvek Bag Tote Bag Document Pocket Environmental Friendly With Button

1 / Feature:

This Eco tote bag is made of Tyvek, which is a brand of falshspun high-density polyethylene fibers,a synthetic material.The material is very strong and it is difficult to tear.

This tyvek bag is a document pocket, which is different the nomal folder. The material of this bag is lightweight and environmental protection, while the most common folders are leather or plastic. As we all know, leather and plastic are harmful to the environment. So, if you want a folder, this one may a good choice for you.

The bag has two buttons and a piece of string to connect the buttons.You can easily close the file bag by fastening one end of the string to another.

This bag with a simple pattern so that it won't seem too monotonous. If you want other colors or artworks, you can tell us. We will meet your requirements.
