Product Description

Wholesale thermal insulated milk green non-woven cooler bag dry aluminum food delivery

Thermal Insulated Milk Green Cooler Tote Bag Dry Aluminum Food Delivery

1/ Features:

Environmental protection and practical !

Details:

Thick non-woven material, stereo performance is well and can stand well, which is not easily deformed. The aluminum material inside, reduce the air permeability of the bag, so that the insulation effect is good.

Usually, your food in the bag can be kept warm for 5-6 hours a day, so you can put the food into this bag for a picnic, and the taste of the food will not change.

The handles are cross-stitched, so you don't have to worry about the bag breaking from too much food. It holds weight really well.

If you want to print something on the bag, we have silk screen printing. If you want full printing, we can change the bag material and use heat transfer or sublimation transfer printing.

Size

This size of bag is 11 x 8 x 9 inches, perfect compact size for carrying, the bag size is also flexible, can be customized.

Usage

Lunch
Travel
Beach
Camping / excursions
