Product Description

Product Description:

Polyester Backpack

This polyester backpack is a perfect choice for students who need a reliable and lightweight bag for school. Weighing at only 0.35kg, it's easy for kids to carry around without feeling burdened.

The backpack comes in a customized color, making it stand out from other bags. Kids can choose their favorite color to express their unique personality.

The adjustable straps of this backpack provide great comfort and flexibility. Kids can adjust the straps to fit their height and body shape, making it comfortable to carry the bag around for long hours without feeling any strain.

With a casual style, this backpack is suitable for various occasions. Whether it's for school, outdoor activities, or a day out with friends, this backpack will always come in handy.

As a school bag, this polyester backpack is designed to meet the needs of students. It has a spacious main compartment that can fit textbooks, notebooks, and other school supplies. There's also a front pocket for smaller items like pens, keys, and phones. The bag is also equipped with side pockets for water bottles, making it convenient for students to stay hydrated throughout the day.

Overall, this polyester backpack is a great choice for kids who need a durable and versatile bag for school. With its customizable color, adjustable straps, and casual style, it's not just a school bag but also a fashion statement for young students.
