## Product Description

### Product Description:

Introducing the ultimate solution for your on-the-go cooling needs - the **Cooler Tote Bag** ! This premium quality bag combines convenience and efficiency, offering a stylish and practical way to transport your chilled goods. The Cooler Tote Bag comes in a classic brown color, versatile enough to match any occasion, whether it's a picnic at the park, a day at the beach, or transporting groceries in eco-friendly style.

Our Insulated Cooler Tote Bags are expertly crafted with a focus on durability and insulation. The bag features a high-performance insulation system that ensures your items stay cool and fresh for up to 6 hours. The heat retention capability is a testament to the superior construction and materials used in the design of this tote. Whether you're carrying chilled beverages, fresh produce, or even frozen goods, rest assured that the internal temperature will be maintained, keeping your items in optimal condition.

The design of this Cooler Tote Bag is not only practical but also aesthetically pleasing. Utilizing advanced Silk Screen Printing and Digital Printing techniques, the bag showcases a sharp and vibrant print quality that can withstand the rigors of daily use without fading. This printing method ensures that your bag retains its stylish appearance, making it a fashionable accessory for all your cooling needs.

Whether you're looking for a personalized touch for promotional events or a sophisticated look for personal use, the printing on these Insulated Cooler Tote Bags will not disappoint.

### Applications:

The **OEM Cooler Tote Bag** , Model Number **CL04** , is an indispensable companion for a variety of occasions and scenarios, seamlessly blending functionality with style. Crafted in the bustling hub of Ximen, China, this insulated tote bag boasts certifications from esteemed institutions such as OEKO-TEX, REACH, SEDEX, and GRS, ensuring that it meets the highest standards of quality and sustainability. With a **minimum order quantity** of 500 units and an affordable price range of **\$2.9-\$3.5** , this cooler bag is an excellent option for promotional events, corporate gifts, or retail merchandise. Each tote is meticulously packaged, with 50 pieces per carton, ensuring safe

and secure transportation. Once the pre-production sample (PPS) is confirmed, customers can expect a **delivery time** of 30 days, backed by a range of **payment terms** including L/C, D/A, D/P, T/T, Western Union, and MoneyGram to suit diverse financial preferences. The OEM Insulated Cooler Tote Bag is designed to meet the demands of modern life, with a robust **supply ability** of 40,000 pieces per month. Its superior **heat retention** capabilities keep contents cool for up to 6 hours, making it ideal for grocery runs, picnics, beach outings, and more. The bag's versatility is further enhanced by its customizable printing options, including **Silk Screen Printing** and **Digital Printing**, allowing for unique branding opportunities. Whether it's for a day at the park, transporting perishables, or keeping beverages cold at outdoor events, the OEM Cooler Tote Bag is the perfect **Insulated Cooler Bag**. Its easy-to-use **zipper closure** type ensures that contents are secure while the insulation maintains the desired temperature. For those who value practicality and style, these **Cooler Bags** are not just a means of transport but a statement of eco-friendly and fashionable food storage on the go.

### Customization:

Our OEM Cooler Tote Bag, model number CL04, combines elegance with practicality. Originating from Ximen, China, this Insulation Cooler Bag is certified with OEKO-TEX, REACH, SEDEX, and GRS to ensure quality and sustainability. ### Support and Services:

Thank you for choosing our Cooler Tote Bag. To ensure you get the most out of your product, we offer comprehensive technical support and services. Our support includes troubleshooting assistance, product maintenance advice, and guidance on the optimal use of your Cooler Tote Bag to ensure longevity and performance.

If you encounter any issues with your Cooler Tote Bag, please refer to the user manual for initial troubleshooting steps. For more detailed support, our dedicated team of experts is available to provide personalized assistance. We are committed to helping you resolve any product-related concerns and to answer any questions you may have about your Cooler Tote Bag.

To enhance your experience, we also offer a range of services including care and cleaning tips, warranty information, and advice on how to best utilize the features of your Cooler Tote Bag. Our goal is to provide you with the support you need to enjoy your product to the fullest.

Please note that our Product Technical Support and Services do not include physical repairs or replacements. For such inquiries, we encourage you to refer to the warranty terms and conditions provided with your product. We are dedicated to providing you with quality support and ensuring your satisfaction with our Cooler Tote Bag.

### Packing and Shipping:

**Product Packaging:** The Cooler Tote Bag will arrive in a recyclable polyethylene protective bag to ensure it remains clean and dry. This bag is then placed within a sturdy, corrugated cardboard box to prevent damage during transit. The packaging materials used are designed to be eco-friendly and can be repurposed or recycled in accordance with local regulations.

**Shipping:** Once your Cooler Tote Bag is packaged, it will be dispatched through our trusted logistics partners. We offer standard and expedited shipping options to cater to your needs. Tracking information will be provided as soon as your order leaves our facility, allowing you to monitor the delivery progress. Please handle the package with care upon arrival to avoid damaging the product inside.
