Product Description

Product Description:

With a MOQ of 1000pcs, these non woven tote bags are perfect for businesses looking to promote their brand in an eco-friendly way. The bags are lightweight, weighing only 0.05kg, making them easy to carry around when shopping or running errands.

The non-woven material used in these bags is strong and durable, ensuring that they can withstand heavy loads and frequent use. These bags are perfect for grocery shopping, running errands, or carrying items to and from work or school.

The silk screen printed logo adds a touch of professionalism to the bags and helps to promote your brand with every use. The bags are available in a range of colors, allowing you to choose the perfect color to match your brand.

One of the key features of these bags is their eco-friendliness. By using these bags, you are helping to reduce the amount of plastic waste that ends up in landfills and oceans. These bags can be used over and over again, making them a sustainable choice for businesses and individuals alike.

COLOR CHOICE

 The fabrics will have color shading because of the shooting and different computer screen.
 The same color fabric from same factory will also have color shading in different batch.
