Product Description

Product Description:

This small backpack is perfect for girls and boys who are looking for a functional and stylish backpack that can carry all their essentials. The backpack is lightweight, weighing only 0.3kg, making it easy to carry around all day. The small size of the backpack also makes it perfect for those who are always on the go, whether you are commuting to work or school, or just running errands.

The casual style of the backpack makes it perfect for a range of different occasions. Whether you are going to the gym, heading to the beach, or just running errands, this backpack is the perfect choice. The backpack features a spacious main compartment that can hold all your essentials, including your laptop, books, and other items.

The backpack also features adjustable shoulder straps, making it easy to adjust the backpack to fit your body. The padded straps provide extra comfort, making it easy to carry the backpack around all day without feeling weighed down or uncomfortable. The backpack also features a top handle, making it easy to grab and go when you are in a hurry.

Applications:

The backpack's casual style is perfect for both boys and girls, and its small size makes it easy to carry. The customized color options allow for personalization and individuality, making it a popular choice among children.

One of the key attributes of the KB14 Polyester Backpack is its waterproof feature, making it suitable for various occasions and scenarios. Whether it's a rainy day or a water-related activity, parents can trust that their child's belongings will stay dry and protected.

The backpack's durability and practicality make it ideal for school, travel, or outdoor activities. Its supply ability of 50000pcs/month ensures that it is readily available for those who need it.

Overall, the Backpack by OEM is a great option for those looking for a children's backpack that is both reliable and stylish. With its

waterproof feature, customized color options, and high supply ability, it is a practical choice for parents, schools, and organizations alike.
