Product Description

Product Description:

Our Cooler Tote Bags are insulated to keep your food and drinks at the perfect temperature. Whether you're heading to the beach, park, or a picnic, these bags will keep your food fresh and your drinks cold. The middle size makes it perfect for carrying a decent amount of items without being too bulky or heavy to carry around.

The velcro closure type ensures that your items stay safe and secure while you're on the go. You won't have to worry about anything falling out or getting lost along the way. The velcro also makes it easy to access your items quickly and efficiently. You won't have to spend time fiddling with complicated zippers or clasps.

Technical Parameters:

Product Name	Cooler Tote Bag
Size	Middle
Color	Customized
Material	Canvas
Insulated	Yes
Heat Retention	6 Hours
Closure Type	Velcro

Applications:

Whether you are going for a picnic, beach trip, camping, hiking, or any outdoor activity, the Insulated Cooler Bag is an ideal companion that you can trust to keep your food and drinks fresh and cool. The bag is made of high-quality materials that are certified by OEKO-TEX, REACH, SEDEX, and GRS, ensuring that you get a safe and eco-friendly product that meets international standards.

The Insulated Tote Lunch Bag has a middle size that is perfect for carrying your lunch, snacks, fruits, drinks, and other items that you need for your daily activities. The bag is available in different colors that you can customize to suit your preference and style. You can also add your logo or design using the silk screen printing or digital printing method, making it a perfect promotional item for your business or brand.

The Cooler Tote Bag is easy to carry and store, thanks to its lightweight design and foldable feature. You can fold it and put it in your backpack, luggage, or car trunk without taking much space. The bag is also easy to clean and maintain, allowing you to use it for a long time without worrying about stains or dirt.

The OEM CL10 Cooler Tote Bag has a minimum order quantity of 500 units and a price range of \$3-\$4, depending on the order and customization requirements. The packaging details are 50pcs/ctn, and the delivery time is 30 days after PPS confirmation. The payment

terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram, while the supply ability is 40000pcs/month.
