Product Description

Product Description:

The Cooler Tote Bag is a middle-sized bag that is spacious enough to carry your lunch, snacks, and drinks. The bag is insulated, which means it has a layer of material that helps to keep the contents of the bag cold. The insulation is made of high-quality materials that are designed to retain heat for up to 6 hours, ensuring that your food and drinks stay cool and fresh throughout the day.

The Closure Type of the Cooler Tote Bag is Velcro, which is a convenient and easy-to-use closure. The Velcro closure ensures that the bag remains closed and the contents stay fresh and cool. The Velcro closure also makes it easy to open and close the bag, making it a perfect choice for people who are always on the go.
