### Applications:

This polyester backpack is perfect for young children and teenagers who need a sturdy and waterproof bag to carry their school supplies, books, and other essentials. The adjustable straps make it comfortable to wear and easy to adjust according to the user's preference.

The zipper closure ensures that the contents of the bag are secure, and the full printing/customizable color options allow kids to express their personality and style.

In addition to being a great kid backpack, the KB16 Polyester Backpack is also an ideal choice for outdoor activities such as hiking, camping, and traveling. The waterproof feature ensures that the bag and its contents remain dry during rainy weather or accidental spills.

The adjustable straps make it comfortable to carry for extended periods, and the spacious interior allows for easy organization of items. The casual style of the backpack also makes it suitable for everyday use, such as going to the gym, running errands, or commuting to work or school. The full printing/customizable color options make it easy to match with any outfit or personal style while still being functional and practical.

The minimum order quantity for this product is 500 units with a price range of \$4-\$5. The packaging details are 30pcs/ctn, and the delivery time is 30 days after PPS confirmation. Payment terms accepted include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The backpack's supply ability is 50000pcs/month, making it an accessible option for bulk orders or large organizations.
