Product Description

Product Description:

One of the best features of the Polyester Backpack is its lightweight design that makes it easy to carry around. At just 0.35kg, it won't weigh down your child's shoulders, allowing them to move around with ease. It is perfect for children who need to carry books and other school supplies to and from school.

The Polyester Backpack is specifically designed for school use, making it the perfect school bag for your child. It is spacious enough to fit all the necessary school supplies, including books, notebooks, and stationery. It has multiple compartments and pockets, making it easy to organize all the items inside.

This polyester backpack is unisex, making it suitable for both boys and girls. Its classic design and neutral color make it a versatile choice that can match any outfit. It can be used by children of all ages, from kindergarten to high school.

Technical Parameters:
