Product Description

Product Description:

The Cooler Tote Bag is made from high-quality Tyvek material, which is known for its durability and water-resistant properties. This material is perfect for an Insulated Cooler Bag as it ensures that the contents of the bag remain dry even in wet conditions. The Tyvek material is also lightweight, making it easy to carry around wherever you go.

One of the best things about the Cooler Tote Bag is that it can be customized to suit your preferences. You can choose from a range of colors, including Brown, or you can have it customized with your own unique design. The printing options available for this Cooler Tote Bag include Silk Screen Printing or Digital Printing. This means that you can have your company logo, a custom image, or even your name printed onto the bag.

The Cooler Tote Bag is not just stylish and customizable; it is also functional. The insulated design ensures that your food and drinks stay cool for hours, even on the hottest days. This feature makes it an ideal choice for those who enjoy outdoor activities, such as picnics, beach parties, and camping.
