Product Description

Product Description:

Our Cooler Tote Bag is designed to keep your food and drinks cool and fresh, no matter where your adventures take you. Made from high-quality non-woven materials, our Cooler Tote Bag is both durable and long-lasting, so you can rely on it for years to come.

Our Cooler Tote Bag is also customizable, so you can choose the color that best suits your needs. Whether you're looking for a bright, eye-catching color or a more subdued, classic look, our Cooler Tote Bag is the perfect choice for you.

The size of our Cooler Tote Bag is just right, making it the perfect size for carrying all your outdoor essentials. Whether you're packing a picnic lunch for the park or packing supplies for a day at the beach, our Cooler Tote Bag has plenty of room for everything you need.

Silk screen printing is used to print the design or logo of your choice onto our Cooler Tote Bag, ensuring that your bag looks great and is easily recognizable. Whether you want to promote your business or show off your personal style, our Cooler Tote Bag is the perfect canvas for your design.

Our Cooler Tote Bag is also fully insulated, ensuring that your food and drinks stay cool and fresh all day long. Whether you're spending the day at the beach or enjoying a picnic in the park, our Cooler Tote Bag is the perfect way to keep your food and drinks at the perfect temperature.

Technical Parameters:

Product Name:	Insulated Cooler Lunch Bag
Material:	Non Woven
Insulated:	Yes
Color:	Customized
Size:	Middle
Printing:	Silk Screen Printing

Applications:

Outdoor Activities: Whether you're going on a picnic, camping trip, or hiking adventure, the insulated cooler lunch bag will keep your food and drinks at the perfect temperature. It is durable and easy to carry, making it the perfect companion for any outdoor excursion.

Work Lunches: The insulated cooler lunch bag is also a great choice for those who need to bring their lunch to work or school. Its middle size is perfect for packing a nutritious meal, while the insulated material ensures that your food stays fresh and tasty until it's time to eat.

Beach Trips: If you're planning a day at the beach, the insulated cooler lunch bag is a must-have accessory. It will keep your drinks cool and refreshing, even on the hottest of days. Plus, it is easy to clean and maintain, so you can use it again and again.

Grocery Shopping: The cooler tote bag is also a great choice for grocery shopping. It will keep your frozen and refrigerated items at the right temperature, so you don't have to worry about your food spoiling on the way home.

Picnics: The insulated cooler lunch bag is perfect for picnics in the park. It is spacious enough to hold all of your favorite foods and beverages, and the durable non woven material ensures that it will last for many picnics to come.

Family Outings: Whether you're heading to the zoo or the amusement park, the insulated cooler lunch bag is a great choice for family

outings. It is easy to carry and will keep your food and drinks cool and fresh, so you can enjoy a fun day out without worrying about your refreshments.

In conclusion, the OEM CL22 Cooler Tote Bag is a versatile and practical product that is perfect for a wide range of occasions and scenarios. Whether you're going on a picnic, heading to the beach, or just need to pack a lunch for work, this insulated cooler lunch bag is the perfect choice. With its high-quality construction, excellent insulation, and affordable price, it is a must-have accessory for anyone who loves to enjoy fresh and delicious food and drinks on the go.

Assistance with identifying and resolving any technical issues you may encounter

Repair services for any defects or damages that may occur

Replacement parts and accessories to enhance the functionality of your cooler tote bag

At Cooler Tote Bag, we are committed to providing our customers with top-quality products and exceptional customer service. Contact us today to learn more about our product technical support and services.

Packing and Shipping:

Product Packaging:

The Cooler Tote Bag will be packed in a cardboard box to ensure safe delivery.

The bag will be wrapped in plastic to protect it from any dirt or moisture during transportation.

A product label will be attached to the box, indicating the product name, size, and any other relevant information.

Shipping:

Shipping will be done through a reliable courier service.

The shipment will be tracked to ensure a timely delivery.

Customers will receive a notification once the package is shipped, along with a tracking number.

Delivery times may vary depending on the destination.

Shipping fees will be calculated based on the destination and weight of the package.
