Product Description

Product Description:

Our customized polyester tote bags are perfect for displaying your brand or logo. With digital printing technology, we can print any design or image onto the tote bags, making them an excellent promotional tool for your business. You can also choose from a variety of colors to match your brand or personal style. The black color is a classic option, but we can also customize the color to suit your needs.

These tote bags are also suitable for beach trips or outdoor activities. The mesh material allows sand or dirt to easily fall through the bag, keeping your belongings clean and sand-free. The spacious interior and sturdy handles make it easy to carry all your beach essentials, including towels, sunscreen, and snacks. They are also perfect for carrying groceries or other items, thanks to their durable construction.

Features:

Applications:

This customized polyester bag is available in a mesh beach tote bag style, making it perfect for beach trips, pool days, and other outdoor activities. It is spacious enough to hold all your essentials, such as towels, sunscreen, snacks, and more. The large size of the bag makes it convenient to carry everything in one go, without having to worry about multiple bags.

If you're someone who is conscious about the environment, then the RPET tote bag is a great option for you. Made from recycled polyester, this bag is not only stylish but also sustainable. It is perfect for those who want to reduce their carbon footprint and contribute to a greener planet.

The OEM PT13 Polyester Tote Bag is available for customization and digital printing, making it a great promotional item for businesses. You can customize the bag with your brand logo, design, or message to create a unique and memorable giveaway for your customers. It is also a great choice for events, trade shows, and conferences.

With a minimum order quantity of 500 and a price range of \$2-\$3, this bag is affordable and great value for money. It comes in a bulk packaging of 50pcs/ctn and has a delivery time of 30 days after PPS confirmation. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram, and the supply ability is 50000pcs/month.

In conclusion, the OEM PT13 Polyester Tote Bag is a versatile and eco-friendly bag that is perfect for various occasions. Whether you're going to the beach, pool, or running errands, this bag is spacious, durable, and stylish. As a customized polyester bag, it is also a great promotional item for businesses and events. So why not invest in this recycled polyester bag today and make a positive impact on the environment?
