## Product Description

### Product Description:

Our Polyester Tote Bags are perfect for any occasion. Whether you're heading to the beach, running errands, or going to work, they are the perfect accessory. The mesh design of our tote bags makes them breathable and perfect for carrying wet items such as towels or swimsuits, making them the perfect mesh beach tote bags.

The Polyester Tote Bags are not only stylish but also eco-friendly. Our bags are made from 100% recycled polyester, making them an excellent choice for those looking to reduce their environmental impact. The recycled polyester bag is a great alternative to traditional shopping bags and can be used time and time again.

Our Polyester Tote Bags are also customizable. You can choose to have your bag digitally printed with any design of your choice. Whether you want a personalized tote bag for yourself or a custom tote bag for your business, our printing process ensures a high-quality finish that will last.

The Polyester Tote Bags do not come with a lining, making them lightweight and easy to carry. They are perfect for carrying items such as books, laptops, or groceries. And when you're done using them, they can be easily folded and stored away until the next time you need them.

Looking for an eco-friendly option? Check out our recycled polyester bag or RPET tote bag. Need something unique? Consider a

customized polyester bag.

## Applications:

One of the most common product application occasions for the PT18 is as a polyester shopping bag. With its sturdy construction and ample size options (middle/large/customized), this bag can carry everything from groceries to clothing to office supplies. And with its customizable printing options, you can add your logo or design to promote your brand while your customers shop.

But the PT18 isn't just for retail stores. It's also a great option for trade shows and events. Its large size makes it perfect for holding giveaways or promotional items, and its customizable printing ensures that your brand will be seen by everyone in attendance.

And don't forget about the environmental benefits of this RPET tote bag. Made with recycled materials and certified by OEKO-TEX, REACH, SEDEX, and GRS, you can feel good about using this bag instead of disposable plastic options.

With a minimum order quantity of 500 and a price range of \$2.5-\$3.5, the PT18 is an affordable and practical choice for any business.

And with packaging details of 50pcs/ctn and a supply ability of 50000pcs/month, you can be sure that you'll always have enough bags on hand.

So whether you need a polyester shopping bag for your store, a giveaway bag for your event, or a customized tote for your business, the PT18 from OEM is the perfect choice. Order today and see the difference for yourself!
