Applications:

The NW05 nonwoven bag is a great choice for different occasions and scenarios. First of all, it is an excellent shopping bag nonwoven that can be used by anyone who wants to reduce the usage of plastic bags. Its casual style makes it suitable for everyday use, and its reusable feature ensures that it can serve for a long time. In addition, it is a perfect product for promotion purposes. The bag can be customized with a logo using silk screen printing, which makes it a great tool for advertising a brand in an eco-friendly way. Moreover, the NW05 nonwoven bag is an ideal gift for those who care about the environment. Its lightweight design and easy-to-carry handles make it a convenient item to have while traveling or running errands. The bag's eco-friendly feature makes it an excellent choice for those who want to make a positive impact on the environment.

Customization:

The eco-friendly non-woven bag can be used for shopping, promotion, and gifting purposes. It is reusable and eco-friendly, making it a sustainable choice. The bag's color can be customized to your preference, and the logo can be printed using silk screen printing. The MOQ for customization is 1000 pieces.
