Applications:

These nonwoven shopping bags are a great option for a variety of occasions and scenarios. They can be used by grocery stores, farmers markets, and retail shops as an alternative to single-use plastic bags. They are also great for businesses to use as promotional items at events or as a giveaway to customers. Their casual style makes them perfect for everyday use as well, whether it be carrying books, gym clothes, or running errands.

With a minimum order quantity of 1000 and a price range of \$0.4-\$0.8, these eco-friendly non woven bags are an affordable option for businesses looking to make a positive impact on the environment. The packaging details include 100pcs/ctn and the delivery time is approximately 30 days after PPS confirmation. Various payment terms are available including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability of these bags is 100,000pcs/month.

In conclusion, the Non Woven Tote Bags from OEM are a versatile and environmentally friendly option for businesses and individuals alike. They are perfect for a variety of occasions and scenarios, including grocery shopping, retail shopping, promotional events, and everyday use. With their customizable size and silk screen printing, they can also be tailored to fit your business needs. So why not make the switch to nonwoven shopping bags today and make a difference for the environment?

Customization:

Our nonwoven shopping bag is available in a variety of colors and sizes, so you can choose the perfect fit for your needs.
